

GOVERNMENT COLLEGE AMARGARH

Action Taken Report On Green Campus Initiatives

Govt. College Amargarh made efforts to create awareness on the need of green environment among the staff & students by organizing various programs under green campus initiatives.

They are:

- Regularly adopting plantation programs in the campus.
- During various occasions distributing plants to guests to encourage plantation activity in their regular life.
- Pollution free campus with restricted use of plastics.
- Advising and encouraging using public transport facilities to minimize automobile usage as individual basis, so that emissions from automobiles can be reduced.
- Student parking for vehicles are provided to the restricted area to keep the campus free from air and noise pollution.
- Ban on single use plastic in the campus and instructed to use only bio-degradable plastic or eco- friendly bags for their regular requirements.
- Pedestrian friendly pathways are marked in the campus with shade of trees on their side of roads.
- Various awareness programs are conducted on Pollution causes and prevention of pollution for the sustainability of humankind.
